Mattapoisett Selectmen's Meeting

MARCH 31, 1987 - by VIRGINIA ARRAL
PREPARE FOR CAPITAL COSTS OVERRIDE

The technical wording on the ability of voters to override certain articles in the May 4 annual town meeting was discussed by Selectmen last Tuesday with members of the Finance Committee and Town Accountant Betty Sears.

In conclusion, all agreed not to use the override method for operational expenses, but only for capital items. Certain items will be

selected for a potential override and placed on the town warrant for discussion purposes only. Then, a possible special election will be called to allow voters to override those selected articles. It is possible, the Town Accountant said, a Special Town Meeting may be needed to take care of specific items, and this will have to be checked for its legality.

Selectmen admitted the choice of items to be selected is a difficult one - some worthwhile needs will have to be omitted this year. In response to a question from the Selectmen on the possibility of borrowing funds for capital items, Finance Committee Chairman Pro-tem Peter B. Hodges said he felt it was fiscal irresponsibility. "I prefer an override for one year; a loan payment continues for many years and puts a burden on future taxpayers."

Hodges was serving as chairman pro-tem as Chairman Michael O'Brien submitted his resignation that night. However, Selectmen agreed

The Town Accountant said, in referring to the tax rate, only if everything requested is voted for an override will the tax rate increase \$7. and this is not likely to happen.

The \$1.7 million that may be requested for an override includes \$268,000 for the Mattapoisett School Committee mostly for school repairs and \$152,900 for two boilers at Center School; the \$73,095 for priority list of items for Old Rochester Regional School District and another \$152,578 for the ORR School District, each figure rep-

There may be other items added before the town meeting for town departments. Some of the Old Rochester Regional District items are on a priority list (\$162,000), others are on a Financial Advisory Committee list (\$1,294,032).

In other business, Selectmen: DIRECTED the Zoning Board of Appeals to come up with an administrative organizational plan in conjunction with Building Inspector David Crook.

Chairman pro-tem George Heinz, who is replacing recently resigned Edward Walsh, told Selectmen he was also ready to resign three weeks ago because of the added responsibility at his place of business and the increased workload on the Board. "However," he said, "in deference to the Board, I have temporarily changed my mind until the new appointees (Alan Apperson and Daniel Mahoney) 'get their feet wet'."

Mr. Heinz reiterated the earlier complaint of Mr. Walsh, who said the case loads have been too heavy. "Over the last six months we have had to split the hearings into two nights per month, even then sometimes having to meet until 1 a.m. to reach a decision," Heinz said.

The pro-tem chairman made two major recommendations. The first: in looking over the last 10 years, five board members have showed up, but lately, alternates have been

recommends the hourly wage be increased so the person can do 'leg work' and paper work, and a person who will stick with it. Additionally, he suggested the new chairman be allowed to be included in selecting the alternates.

In response to Heinz's invitation for Selectmen to sit in as observers, Selectman Frank Suzan said, "We stay away so the public won't think we influence decisions." Suzan agreed new alternates should understand they should be more active and attend meetings occasionally.

Selectman Huntoon said he would be in favor before town meeting to have the building inspector put in his budget for a part-time clerk to work in conjunction with the Appeals Board. A clerk could help applicants fill the application properly and use a check list of what is needed to be brought to a hearing. Crook said this would be a good idea because with the present set-up there is often a long waiting time before decisions are typewritten. This would eliminate

MET WITH Peter Kortright, chairman of the Growth Management Study Committee, to hear the results of the informal survey taken at the public meeting held recently. Mr. Kortright said only 10 forms were returned; however, they showed a definite slant on the fact residents are concerned about the harbor and the waterfront and keeping Mattapoisett with its rural character. One of the greatest problems this small sampling of residents sees is water pollution and growth rate; the least concern was expressed for crime and high taxes.

The survey also showed people wanted to see single family and elderly housing encouraged, as well as individual stores but no to multiple dwellings, apartment complex, mobile park and major shopping center.

Kortright recommended a one-page survey be conducted with only the relevant questions pertaining specifically to Mattapoisett. He proposed the forms be sent out with

the next water bills, a page in the Presto Press or a hand-out at the town meeting. The handout was favored as the best method at this time.

The chairman also recommended a small steering committee be formed to act as a directional group. A list of names of those who volunteered at the recent meeting were given to Selectmen to select a steering committee. Mr. Kortright also further suggested two areas be pursued separately.; one - an up-land, transportation, sewer, town-wide group; and secondly, a harbor or waterfront study group. The board agreed with this suggestion.

GRANTED THE TRANSFER of the all alcoholic beverage retail package store license at 2 County Road for Wave Liquor, Inc., d/b/a Village Package Store to Bronie Apshaga, Jr., 200 Coffin Avenue, New Bedford.

Mr. Apshaga explained he recently sold a business in Pelham, New Hampshire and is selling his home there. He said he realized it isn't a good idea to be an absentee owner. Apshaga and his wife, both former residents of Mattapoisett, plan to run the business. They agreed with Selectmen to do something about the inappropriate sign in front of the building.

James Rogers, owner and operator of Village Hair Styling Salon, an abutter, spoke on the parking problem in the adjoining space. Rogers owns the space 10 feet from the package store. Rogers said the

problem is caused by delivery trucks to the package store taking up parking space for his customers. Mr. Apshaga agreed to meet with Mr. Jack Conway, owner of the building on the east side of the package store, to coordinate the parking situation.

Selectmen reaffirmed their stand that they will not tolerate the sale of alcohol to minors, then wished Mr. Apshaga good luck.

AGREED TO A REQUEST from Police Chief James Moran and Lt. James A. Santos to increase their term of appointment from the present one year to a three-year term, effective this year.

How customers don't want to feel at a bank.

Banks don't deliberately try to confuse you. But these days, when you have more choices than ever to make with your money, it may seem like it's getting harder to talk to your banker. And to understand what your banker tells you.

At Fairhaven Savings Bank, we know how important it is to keep the lines of communication between customers and bank personnel open. In a recent survey, people told us that it's critical to get accurate and understandable information from banks. So we're making a special effort to answer our customers' questions, address their needs, and explain our procedures clearly and professionally.

The fact is, we don't think anyone should be made to feel dumb when it comes to his or her own money.

If a bank really wants to earn the trust of its customers, we believe the rules are very simple—listen to what people want and work extraordinarily hard to deliver. That's what we're doing at Fairhaven Savings Bank.

The Second Best Source of Vitamins in the World

Here at GOLDLINE we don't think we can beat Mother Nature. But, because we're a major pharmaceutical company we have a few things going for our vitamins that Mother may not have considered.

We know that the way you live, work and eat uses up your supply of vitamins, minerals and nutrients. Our vitamin formulas work toward replenishing those lost necessities of life at a price that not even Mother Nature can complain about.

Then there's quality. You can bet that you won't find better quality than GOLDLINE anywhere. We guarantee our vitamins have their full potency, so what you read on the label you get in the product. In addition, GOLDLINE vitamins are freshness dated and safety sealed. Can Mother Nature say the same?

We all know that Mother Nature invented vitamins. But for vitamins and supplements that give you consistent quality, availability and price, your second best source is GOLDLINE.

TO THE EDITOR

The Mattapoisett Playground Improvement Committee wishes to extend our thanks to those who attended our action on March 21st. Although the 'crowd' was small, those who came were fantastic and helped us raise \$4,975 that night, exceeding our expectations.

A major key to our success was the effort put in by our guest auctioneers, Bob Gardner, Marc Goddu, David Kelley and Peter Kortright. Throughout the evening they joked and bantered with the bidders, coaxing higher bids while putting a smile on all. We are indebted to these men for turning a potentially disastrous situation into an amazing-

NEW CLASS STARTING APRIL 15 EIGHT WEEKS to Better Photography

Why not make this the summer which moves you from a "snapshotter" to a photographer? We are now forming a new camera class with a strictly limited enrollment. Give me one night a week for the next eight weeks and I'll give you a dramatic improvement in the quality and composition of the pictures you take.

We meet on Wednesday evenings from 7:30 - 9:30 and we cover ALL the bases: Film, Lenses, Composition, Night Photography, What you Need and What you DON'T Need to take better shots. By limiting the size of the class, we have plenty of time for individual "hands-on" instruction. Sign up NOW.

VOKE ED DAY

Plans are underway at Old Colony for students and staff members to participate in a Statewide Vocational Proclamation Day to be held in Charlton, Massachusetts on Friday, May 15th. Two Old Colony staff members, Marcus Ashley and Richard Mitchell, are organizing Old Colony's efforts in the event.

The goal of the Proclamation Day is to recognize the efforts of Vocational Education in preparing the craftsmen, technicians, and artisans which dominate America's workforce. Old Colony will be sending forty-five students representing four of the school's vocational programs. Old Colony students from Machine Shop, Electrical, Data Processing, and Health Services will be demonstrating their skills at the event.

QUESTION:

How DO EMPLOYEES & COMPANIES BENEFIT FROM CHIROPRACTIC SPINAL MANIPULATION?

ANSWER: With higher performance and more productivity.

When a worker is sidelined because of a health problem, everybody loses.

The company loses a valuable employee, which could mean a loss of production. The worker loses self-confidence in addition to suffering pain and disability. The family unit loses part of its income, so important to maintaining a standard of living. The union loses part of its health and welfare fund in payments and other benefits.

Obviously, there is no way of eliminating on-the-job and off-the-job injuries entirely. But it would be helpful and less costly for all if time for recuperation could be reduced.

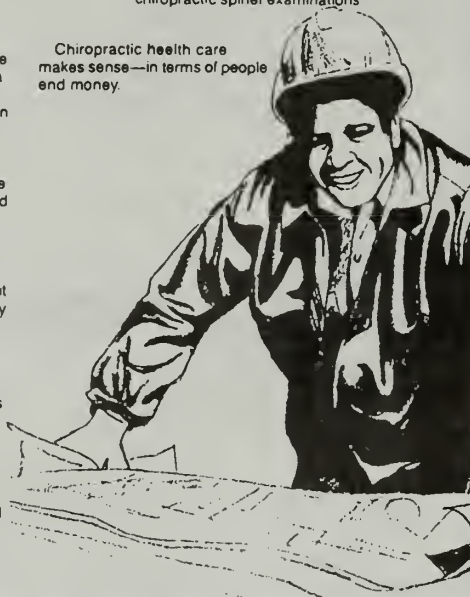

Chiropractic can reduce time off. In fact, comparative studies of Workers' Compensation cases from a number of states prove chiropractic's effectiveness in getting injured employees on their feet faster.

Imagine the advantages of eliminating hospitalization. Being treated on an out-care basis. Not being subjected to the hazards and expenses of drugs and surgery.

Here's what you can do:

- Get to know the chiropractic health method and its benefits.
- Make chiropractic services available to employees in any health and welfare or insurance program with which you are associated. Insist upon it.
- Recognize the importance of structural health. One of the best safeguards against illness and disease is to practice a program of health care which includes chiropractic spinal examinations.

Chiropractic health care makes sense—in terms of people and money.

Dr. Jean E. Peeler

Chiropractic Physician

34 Barstow St., Mattapoisett 758-3711

admission charge, but a freewill offering will be taken. Following the program, a reception and refreshments will be held in the Parish House.

The Chorale is currently on a tour of southeastern Massachusetts. It has toured widely in the United States and has undertaken seven concert tours in Europe and one to the Soviet Union, where members were warmly received.

**CHATHAM BAR CUT IN TWO
DCJ PHOTO, OPPOSITE**

The great Chatham Bar that stretches from Orleans to below the elbow of the Cape that is the town of Chatham was cut in one of the winter blizzards that have carved giant slices off the Cape Cod shoreline. The bar, opposite the Coast Guard Station, high on the cliff, is a substantial piece of land. However, a wide channel has been broken and it's deep enough to allow small craft to steam right through. This inlet has long been a protected anchorage and one of the few good scalloping grounds left on the Cape. It remains to be seen if the bar can heal itself and what the impact will be on the local fishing.

Good Friday Concert

For the 14th consecutive year, an organ concert of sacred music will be presented at 4 p.m. Good Friday in the sanctuary of the Unitarian Memorial Church, Fairhaven by Herbert H. Bowker, organist and choir director. The sanctuary will be open to the public for prayer and meditation from 3 to 5 p.m.

The Roche Organ which was installed in 1971 is an unusually beautiful instrument with 50 speaking stops and more than 3,000 pipes.

An invitation is extended to community churches and friends to unite for a period of spiritual renewal during this Lenten season.

Mr. Bowker has selected the following program:

"The Celestial Banquet"	Messiaen
"Chaconne in D minor"	Couperin
"My Inmost Heart Doth Yearn"	Brahms
"Choral Prelude in F Major"	Willan
"Largo e Spiccato"	W.B. Bach
"Elegy"	Darke
"Adagio"	Albinone
"Andantino in A flat"	MacDowell
"Toccata"	Widor

is sponsoring the program which is available on an ongoing basis. This first, free, no obligation session will offer an informative one-hour overview of the program.

The Stop Smoking Clinic is a non-profit community service which helps people succeed in quitting smoking permanently. This program is offered and endorsed by over thirty-five hospitals in New England.

Unique in many ways, it has a proven success rate which is double that of other programs. One feature of the program offers a "Helpline" to each participant and graduate, providing constant support for their new smoke-free life. Once enrolled, participants in the month-long program will meet twice weekly at the Hospital.

You can learn how to stop smoking by attending the free introductory session.

CABLE SERVICE TOPIC AT LUNCHEON

"What You Can Do To Get Better
Cable TV Service" is the topic at
the YWCA's Wednesday Luncheon on
April 22nd. Steve Sharek, a member
of the commission appointed by Mayor
John Bullard to study the cable
service in New Bedford, will lead
the discussion. His talk follows
a cafeteria-style luncheon begin-
ning at 11:45 a.m.

productive time is guaranteed for all.

Work Day is an opportunity to do light construction, such as building nesting boxes or bird houses, to work on the Center's trail system, and in general to improve the safety and enjoyment of people who visit the Center through our combined efforts. We will work on the Katharine Nordell Lloyd Wildflower Garden and Trail, transplanting and planting many varieties of shrubs and other plants to this growing interpretive trail.

If woodwork is more your style, cutting wood with chain saws, building new hand rails and steps and general trail clean-up is for you. Our aim is to make the trails as easily usable as possible for our guests. If you prefer, there will be painting jobs, boat work, stenciling and hanging of bird nesting boxes.

All we ask is that you bring energy and enthusiasm to the Center on Work Day. Hand tools, such as rakes, shovels, maddocks, clippers and other work tools are of help
